30 Day Post-General Report (10/19/00-11/27/00)

Dear Mr. Kern:

We are in receipt of your letter dated April 17, 2001, a copy of which is enclosed, requesting on Schedule B of our report, "excess campaign funds" regarding unlimited transfers to a national party committee. We have, therefore, amended our report to include the missing information in the field titled "Purpose of Disbursement" for each applicable entry. A copy of Schedule B with the information requested is also enclosed.

Regarding Schedule A and the contributions received after the General Election, which were designated for the general, these contributions were delivered to the Morristown Post Office prior to the General Election, however, they were not placed in our Post Office Box until two weeks after being delivered to same Post Office. It was a "postal delay" and not due to negligence that they were not deposited until November 20, 2000, almost two weeks after the General Election. Other contributions deposited on November 9, 2000 were received prior to the General Election on November 7, 2000.
